

Vaccination Requirements for Boarding Your Pet at Jagersbo Kennels

Dogs

1. DA2PP
 - a. Distemper
 - b. Adenovirus 2
 - c. Parainfluenza
 - d. Canine Parvovirus
2. Bordetella
3. Rabies

An annual negative fecal test is also required for boarding.

Cats

1. FVRCP
 - a. Feline Viral Rhinotracheitis
 - b. Chlamydia
 - c. Calici Virus
 - d. Panleukopenia
2. Feline Leukemia
3. Rabies

A negative FIV/FelV test is required for boarding.*

* Many veterinarians differ on the requirement for this vaccination for boarding. We can make arrangements for some of these cases, as long as your veterinarian will provide a letter supporting this point of view.
